September 29, 2020

Dear Universal Families,

Universal School families who reside in Buffalo are free to go to any of the district's grab and go sites in the city every Monday, Wednesday, and Friday from 11-1. These sites are listed on the Buffalo Public Schools website; we have printed the list on the other side of this letter for your convenience. Your child(ren) will be able to receive 2 days' meals on Mondays and Wednesdays, and 3 days' meals on Friday. Please note, the sites will have lunches according to the general Buffalo Public School Food Service menu. Therefore, the variety of vegetarian options will be limited, most likely peanut butter and jelly and/or fun lunches.

Universal School will not have the breakfast or lunch menus or knowledge of what they will be serving at the sites. You can get this information by logging onto the Buffalo Public School website at www.buffaloschools.org. Once you log in follow these steps: click under the heading *Meal Distribution* or click *Department, Food Service, Lunch Menu*.

Sincerely,

Universal School
