

Job Description: Teacher

Position Overview

We are seeking a dedicated Teacher to foster holistic student development - spiritually, intellectually, socially/emotionally, and physically - through a high-standard academic program aligned with our school's mission.

Key Responsibilities

- Develop and implement standards-aligned lesson plans using "Backwards Design"
- Create a positive, supportive classroom environment
- Deliver engaging instruction using varied strategies and resources
- Assess student progress and adapt teaching methods accordingly
- Maintain accurate records and communicate effectively with families
- Contribute to school community and pursue professional development

Qualifications

- Bachelor's degree or higher in Education or related field
- Strong communication and organizational skills
- Experience in curriculum development and classroom management
- Valid teaching certification OR 3 years of more working experience in the same capacity

Skills and Abilities

- Excellent oral and written communication
- Ability to build effective relationships with students and families
- Curriculum development and implementation
- Classroom management and safety maintenance
- Age-appropriate instruction adaptation

Employment Details

- Salary Range: \$31,000 - \$38,000
- Hours: 7:45 AM - 3:45 PM
- Reporting Days: 191 teacher reporting days

Qualified candidates are encouraged to apply and join our mission to provide exceptional education!
