

Uniform and Personal Appearance Policy

“Cleanliness is half of faith”. It is expected that students come to school with appropriate hygiene and adhere to the school uniform policy. Teachers will monitor uniforms in the morning and report students who are out of uniform to the office. More details of the uniform policy are posted on the school website and provided in the registration packet.

Modesty is such an essential feature of our faith and an important element of the learning environment; we want to remind students and parents of the expected Dress Code. This ensures that everyone has the same information and is held to the same standard.

The Islamic dress code reflects the values of modesty, cleanliness, respect, and professionalism. Students are expected to maintain a neat and well-groomed appearance while adhering to Islamic guidelines at all times.

Parents are to ensure that their child comes to school in the appropriate uniform each day. Consistent adherence to the uniform policy promotes school pride, unity, discipline, and respect while reflecting the Islamic values of modesty and professionalism.
